## **FINANCIAL POLICY**

Bear Pediatrics, LLC provides our patients with the best possible care and services while keeping the costs to you from increasing at an unreasonable rate. We ask your help by understanding and cooperating with our financial policy.

**Insurances:** We participate with several insurance companies. Please check with the office to see if we participate with your plan. All patients will be responsible for presenting their insurance card at every visit and for completing a new patient registration yearly. If we DO participate with your Primary or Secondary insurance company, all services performed in our office will be submitted to them, unless we have received prior notification of non-covered services. All copays, co-insurances and deductibles are the patients' responsibility. Patients are responsible for ALL copayments at the time of service. Deductibles, co-insurances and non-covered services will be billed to you by our billing office.

If we DO NOT participate with your insurance company, this means that we do not bill your insurance carrier: and, we will not accept payment from them as payment in full for the services performed. We do not participate with PIP plans. Any balance not covered by the insurance company becomes the responsibility of the patient. Payment for services rendered in the office IS due at the time of service. We will provide you with an itemized bill so that you may submit the charges to your insurance company for reimbursement. If you do not have insurance, or an insurance card is not presented, all services performed will become the responsibility of the patient. Payment for services rendered in the office IS due at the time of service.

**Divorce:** In case of divorce or separation, the party responsible for the account prior to the divorce or separation remains responsible for the account.

**Records, Forms and After-Hour Calls:** There is no charge for forms. Record release can be charged \$20 fee. In addition, you will be charged a fee of \$20.00 for all after-hour calls.

**Missed Appointment Charge:** There will be a charge of \$25.00 for all missed appointments. It is important for you to understand that your health insurance coverage is an agreement between you and your insurance company and your doctor's bill for the services provided to you is an agreement between you and your doctor.

**Payment for services performed:** Our office accepts VISA, Discover and Mastercard for your convenience, as well as cash or a check. Each bounced check will be assessed a fee of \$30.00. This fee is the responsibility of the patient and not the insurance company. All copayments not

paid at the time of service will be assessed a service charge of \$10.00 per copay. All payments are expected at the time of service and any outstanding balances are due within 30 days of billing, unless prior arrangements have been made with the Billing Department. All balances that reach 90 days may be sent to a collection agency. Balances sent to the collection agency will be reported to a credit reporting agency. Should your account be sent to a collection agency, you will be financially responsible for all collection fees that our office incurs through the process utilized to collect the outstanding delinquent balance. Payment in full of any past due balance is expected prior to being seen in our office in the future, unless prior arrangements have been made with the billing office.
