NO SHOW/ MISSED APPOINTMENTS POLICY

Effective May 10, 2021: Due to the overwhelming number of No- Shows to scheduled appointments the following policy has gone into effect:

- 1) If you are a No-Show to an appointment, you will be charged \$50 for each no-show.
- 2) You will not be allowed to make another appointment (sick or well) until that No-Show fee is paid in full.
- 3) Multiple No-Shows will be subject to discharge from the practice.

There are absolutely no exceptions to this policy!

Thank you!
